CAMPAIGN PROGRESS

The 2015 fiscal year marked the midpoint of the Campaign for Harvard Divinity School, and saw HDS pass the halfway mark of our campaign goal.

Achieved $25.52M, or 51% Goal $50M

Since the start of the campaign nearly
$5M raised in direct support for HDS students

HDS has seen
over 400
first-time supporters since the start of the campaign

FUNDRAISING RESULTS 2014–15

Between July 1, 2014, and June 30, 2015, new gifts and pledges totaled nearly $3.3 million, from over 1,375 supporters, and $6 million was received in cash contributions. Flexible, current use funds accounted for $900,000 in new commitments, allowing the dean to advance the most important and timely scholarship, discussion, and service in the fields of religion and ethics.

Enthusiasm for the dean's vision has continued to build, with an increase in the number of supporters and great interest in new initiatives made possible by the campaign, such as the Religions and the Practice of Peace program and the new summer internships for service-oriented placements.

Planned gifts such as charitable trusts, annuities, and bequests remain critical to the future of the School, while providing important financial and tax benefits for our supporters. Planned giving made up approximately $1.6 million, or 48%, of new commitments from the past year.

DONOR REPORT 2014–15

Harvard Divinity School is pleased to thank everyone who supported the School with contributions of time and resources in fiscal year 2015. Your gifts during the Campaign for HDS have carried us more than halfway to our goal and continue to ensure the stability and progress of the School year after year.

DEAN'S COUNCIL

In addition to their wisdom and time, Dean's Council members provide unrestricted, immediate-use financial support for the School's highest priorities, including student financial aid, teaching and research, and campus and community. For their vision, dedication, and philanthropy, we are deeply grateful.
