

OMICS Journals are welcoming Submissions

OMICS International welcomes submissions that are original and technically so as to serve both the developing world and developed countries in the best possible way.

OMICS Journals are poised in excellence by publishing high quality research. OMICS International follows an Editorial Manager® System peer review process and boasts of a strong and active editorial board.

Editors and reviewers are experts in their field and provide anonymous, unbiased and detailed reviews of all submissions. The journal gives the options of multiple language translations for all the articles and all archived articles are available in HTML, XML, PDF and audio formats. Also, all the published articles are archived in repositories and indexing services like DOAJ, CAS, Google Scholar, Scientific Commons, Index Copernicus, EBSCO, HINARI and GALE.

John K Osiri

Washington State University

Pullman, WA

United States

BIOGRAPHY

John Kalu Osiri, founder of Unleash Group and creator of the Unleash concepts, is an international educator, author, entrepreneur, speaker and mentor of excellent students. He is a Clinical Professor of Entrepreneurship and International Business at Washington State University, located in Pullman, Washington, USA. His research is concerned with product development and commercialization of innovation.

He earned a Baccalaureate degree in Chemistry from Grambling State University, and a Doctor of Philosophy in Bio-Analytical Chemistry (with an emphasis on biotechnological research) from Louisiana State University-Baton Rouge. His Post-Doctorate in Entrepreneurship and International Business was completed at The University of Florida-Gainesville.

Osiri's passion is building businesses and assisting struggling communities, and his calling is helping students realize their dreams.
