

## About JCO

*Journal of Clinical Oncology (JCO)* is the flagship journal of the American Society of Clinical Oncology and its primary forum for scientific discourse.

An essential resource for the practice of oncology, *JCO* is the foremost peer-reviewed medical journal focusing on clinical cancer research and is the most credible and authoritative source for current information on the diagnosis and treatment of patients with cancer.

*JCO* publishes more research-changing and practice-changing science in the field of oncology than any other publication.

**JCO: A leader in reach, readership, impact and influence**

## 2015 Important Tier & Pricing Notes

1. All tier assignments are subject to periodic evaluation by the Publisher.
2. Institutions are assigned to Tiers 1-3 if they operate from a single site at a single geographic location. A single institution with more than one site or location (e.g. a research university with a teaching hospital or with multiple geographically dispersed campuses) is classified as Tier 4 and prices will be negotiated. Individually negotiated multi-site licenses (Tier 5) are required for consortia, corporations, and other institutions having shared network access.
3. Prices are in effect from September 1, 2014, through August 31, 2015. Prices are subject to change.
4. Print-only subscriptions, or additional print copies, are available for \$827 in the US and \$1,196 outside the US.
5. Institutional online-access, whether an Online-only or Bundled subscription, is for a single-site license, which allows an unlimited number of concurrent users from that site.
6. For multi-site licenses, please contact the appropriate agent for a quote.
7. Subscribers outside the US, add \$100 per print subscription for expedited delivery.
8. Single-issue price: \$40 (US); \$50 (International).
9. Prices quoted are in US dollars and payments must be made in US dollars.
10. Except on consortia offers, the Publisher allows for a 5% discount on Tiers 1-3 to recognized subscription agents.
