Conditions for Readmission

Thus, any undergraduate who withdraws, cancels, or does not register for any single quarter is considered a continuing student for the following term. Graduate Students Any graduate student who withdraws, cancels his/her registration, or does not register in any term must apply for readmission to the Graduate Division. The application is available at <http://grad.ucla.edu>.

Professional School Students (Law, Medicine, Dentistry) Any professional student who withdraws, cancels his/her registration, or does not register in any term must apply for readmission to the academic dean's office.

The schedule of refunds refers to calendar days, beginning with the first day of instruction. Percentages listed should be applied respectively to Tuition, Student Services Fee, and other student fees. The effective date for determining a refund of fees is the date the student files the Withdrawal Notice with the academic dean's office, and it is presumed that no University services will be provided to the student after that date. **NO CLAIM FOR REFUND WILL BE CONSIDERED UNLESS PRESENTED WITHIN THE FISCAL YEAR TO WHICH THE CLAIM IS APPLICABLE.**

Service Fee

A \$10 service fee is deducted from all 100 percent refunds; for new students, the schedule of refunds is applied to the fees paid minus the nonrefundable acceptance of admission deposit.

UC SHIP Refunds

There is no automatic refund of the UC SHIP fee. A student who purchases UC SHIP, withdraws, and receives less than a 100 percent refund may not request a UC SHIP refund because UC SHIP coverage remains active for the term. A student who purchases UC SHIP, withdraws, and receives a 100 percent tuition refund does not receive a UC SHIP refund unless her or she contacts the Arthur Ashe Student Health and Wellness Center insurance office by e-mail at shsins@ashe.ucla.edu before the end of the current term. The e-mail message must include student's full name, UID number, date of birth, and reason for refund request. The UC SHIP office must verify that the student has not accessed benefits or used any aspect of plan services

before any refund can be considered. This process may take up to 30 business days to complete. No refund of the UC SHIP fee is granted if any claims have been paid. If approved, the refund is processed through the student's BruinBill account approximately 3 to 5 working days after the request is received.

Voluntary Fees

Refund requests for voluntary fees, such as CALPIRG, should be made directly to the funded organization.

Students in Self-Supporting Programs

The refund schedules shown may not apply to students in self-supporting programs. Students enrolled in one of these programs should consult their program adviser regarding refunds.

Students Entering the U.S. Armed Forces

If no credit for courses is received, a full refund of registration fees for a regular session will be granted to all students entering the armed forces prior to the end of the sixth week of the quarter. No refund thereafter.

Third Party Fee Payment

The University assumes no contractual or other obligation to any third party who pays any University fees on behalf of a student unless the University has expressly agreed thereto in writing. In this regard, no request for a refund of fees by such third party will be honored; and if the student withdraws from the University with a refund due, such refund will be paid to the student.
