

You have a doctor by your side 24/7 with LiveHealth Online

When your own doctor isn't available, LiveHealth Online can help you. See a board-certified doctor of your choice in minutes — just visit livehealthonline.com or download the free mobile app. All you need is a computer with a webcam, a smartphone or tablet with an internet connection.

Here's what you get with LiveHealth Online:¹

- Access to doctors 24/7
- Secure and private video chats with board-certified doctors
- Immediate help with common health conditions like colds, the flu, allergies, fevers and more
- Prescriptions sent to your pharmacy, if needed²

Use LiveHealth Online to get medical advice, a diagnosis and prescription. It's quicker and easier than going to urgent care. And there are no appointments or long wait times.

Visit livehealthonline.com or download the mobile app to sign up and get started!
