About Tumakuru

Tumakuru is a district headquarters in Karnataka state situated on NH-4 (Bangalore-Pune highway) at a distance of 65 km from Bangalore in Karnataka state. In recent years, Tumakuru has emerged as an important centre for education, industry and commerce in the state. A range of hills rising to nearly 4000 feet crosses it from north to south. In and around Tumakuru there are a number of historical places to visit, such as, Siddaganga, Shivagange, Devarayana Durga, Yedyur, Shravana Belagola, etc.

About SIT

The Siddaganga Institute of Technology (SIT), Tumakuru, was established in the year 1963 by Sree Siddaganga Education Society (SSES), founded by His Holiness Padmabhushana, Karnataka Ratna Dr. Sree Sree Sivakumara Swamiji", a centenarian. The college is an autonomous institution, affiliated to Visvesvaraya Technological University (VTU), Belagavi, Karnataka, approved by AICTE New Delhi and accredited by NBA, New Delhi. At present, the institute offers 12 Under Graduate Programmes and 16 Postgraduate programmes. 16 departments in the institute have been recognized as research centers by Visvesvaraya Technological University and offer Ph.D and M.Sc (Engg.) by research. The institute has well qualified, experienced and competent faculty numbering 333 and 102 of them have Ph.D. and another 76 are pursuing their Ph.D. S.I.T. is a beneficiary of Technical Education Quality Improvement Programme (TEQIP), a World Bank assisted Project (Phase I and II).

S.I.T is topped among the 100 Engineering Institutions of the country (70th rank) under National Institutional Ranking Framework (NIRF) of MHRD, Govt. of India.

About the Department

Department of Mechanical Engineering has well qualified and committed faculty with well equipped laboratories, workshops and other infrastructural facilities and are also actively engaged in Industry-Institute interaction. Major areas of specialization in these departments are Materials Engineering, Manufacturing Engineering, Machine Design, and Thermal Engineering. The department offers U.G. programme in Mechanical Engineering and P.G. programmes in Thermal Power Engineering, and Manufacturing Science & Engineering. Also, M.Sc (Engg) and Ph.D. Programmes are being offered by the research centre of the Department. The department has been accredited by NBA, New Delhi for five years. 48 research scholars have registered for their Ph.D programme in the research centre of department.

About the Workshop

The main objective of this workshop is to provide a platform for an interaction among academicians, scientists and practicing engineers to discuss about the latest advances, current developments, technological trends and challenges in the field of mechanical engineering, thus catering to explore the various research avenues in mechanical engineering. The idea is to bridge the Industry/Institute to cater to the needs of people who are in need of avenues to kick start the research and also the academicians/research scholars who have started with research and require deeper insight into their chosen domains. The programme encompasses lecture sessions by experts from IIT, NIT with voracious experience in research in

the respective domains, sharing the challenges by industry experts and also it includes visit to prestigious R&D Labs and industries providing broader insight into the domains.
