

## *Department of Mechanical Engineering of Abha Gaikwad-Patil College of Engineering organized one day Industrial Visit at HariOm Cold Storage Industries*

---

6<sup>th</sup> February :

Department of Mechanical Engineering of Abha Gaikwad-Patil College of Engineering had organized one day Industrial visit for Final Year Students at HariOm Cold Storage Industries situated at Wardhaman Nagar, Nagpur Degree in Engineering.

### **Industrial Visit at HariOm Cold Storage Industries, Nagpur**

- ▶ Various types of cycles like Vapor Compression Refrigeration Cycle could be understood very easily from the Machinery and its working atmosphere which are studied theoretically in Mechanical Engineering.
- ▶ Around 50 students from Final Year of Department of Mechanical Engineering of Abha Gaikwad-Patil College of Engineering availed the benefit of learning Refrigeration & Air Conditioning practically by this visit. Students saw many machineries like Compressors, Condensers, Evaporators, Expansion Valves, etc.
- ▶ Prof. Pragati Patil, Vice Principal AGPCE and Prof. Ajay Mahawadiwar, Head of Department of Mechanical Engineering were inspiration of this visit. Prof. Ramkrishna Gondane and Prof. Gaurav Nagdeve from Department of Mechanical Engineering coordinated this Industrial Visit.
