RE: Program #0772

Dear Dr. Ono:

The Joint Review Committee on Education in Radiologic Technology (JRCERT) affirmed the voluntary withdrawal of accreditation of the certificate and associate degree radiation therapy program sponsored by the University of Cincinnati Blue Ash College effective June 1, 2015 at its June 21, 2015 meeting. It is noted that at the time of the program's voluntary withdrawal of accreditation the radiation therapy program's most recent accreditation award was **Accreditation for a Period of Eight Years**. The reason for the voluntary withdrawal is program closure.

You are requested to return the Certificate of Accreditation for the sponsor and all Certificates of Recognition for the clinical settings must be destroyed.

The JRCERT is grateful for the lengthy collegial relationship with the program and institution.

If the Committee or the CEO can be of further assistance, do not hesitate to contact the office.

Sincerely,

Laura S. Aaron, Ph.D., R.T.(R)(M)(QM), FASRT
