Assistant Professor Math (214UC9668)

The University of Cincinnati Blue Ash College is the largest regional college in Ohio, located in Blue Ash, Ohio. UC Blue Ash College has an enrollment of approximately 5900 students and offers a variety of programs at the associate and technical baccalaureate levels. The Department of Mathematics, Physics, and Computer Science (MPCS) invites applications for a tenure-track position at the rank of Assistant Professor of Mathematics beginning with the 2015-2016 academic year. The Department of MPCS currently has 25 full-time faculty teaching courses from developmental mathematics through calculus, differential equations and statistics, as well as physics and computer science. We are seeking a person who is deeply committed to teaching undergraduate developmental mathematics and mathematics courses.

The successful candidate will be expected to participate in the governance and committee work of the department, college, and university, and to be professionally active in the disciplines of mathematics, and/or the scholarship of teaching and learning, in particular scholarship of teaching and learning related to developmental mathematics.
