

# 2009-2010 Student Council Activities

## August

**Freshman Orientation**, occurs the first Thursday before school starts from 4 pm to 6 pm. Be available to give tours of the high school and to answer and questions the incoming freshman or new students may have in regards to their schedule, locker, lunch, etc.

**New Student Mentoring**, is provided to each individual new student to Omro High School. A special meeting will occur at orientation, "buddies" on the first days of school, and follow up meetings are designed to help transition our new students into Omro High.

## September

**Outside sign** and **school board** sign up is a responsibility for each of the student council members. The outside sign will be covered by community learners and members who need to make up time. School board meetings will be attended by the junior and senior members.

**Homecoming**, is one of our biggest events! We take part in dress up days, float building, wall decorations, penny wars, skits and lip syncs, a parade, pep rally, and sporting events. We need to notify judges, chaperones, principals, custodians, lunch ladies, coaches, and teachers.

## October

**Student Council Conference Meeting**, is an opportunity for us to meet with other Stu. Co. members from other schools. In this meeting we will share and received ideas.

**Halloween**. We will hold a costume contest on the day of Halloween during school. We will also host a Halloween Costume dance Wednesday night before teacher convention break. Prizes for best costume in several categories will be awarded.

## November

**American Education Week**. We give teachers gifts of appreciation.

**Thanksgiving**. We will host a canned food drive that will be donated to the Omro Police Department for needing families during the holiday season. Gobble Games will be up for discussion this year. A fundraising activity may be an option.

## December

**Shopping Day with Kids**, is an event we take part in with other clubs of OHS. We donate money from Homecoming funds and join kids in a holiday shopping event. These kids are shopping for items for their families.

## January

**Winterfest**, is another big event that requires a lot of preparations. We have talked about having a spirit week, but also continuing our Winterfest games and dance. Our games include lifesaver pass, orange pass, tug-o-war, thread the spoon, and the famous obstacle course.

## February

**Hush Hearts**, is always fun. Girls receive a heart at the beginning of the day. Their goal is to not talk to a boy all day. If she is caught talking to a boy he steals her heart.

## March

**Shush Shamrocks**, is very similar to Hush Hearts, except the roles are switched. Boys can't get caught talking to the girls.

**Volleyball Tournament**, is held in the high school gym. This tournament is open to all students.

## April

**Career and Hobby Day**, is held in the middle school, but we usually attend to promote, leadership, student council, and the events we host.

**Elections**, are held for student council members and class officers at this time. It is very important to keep in contact with the middle school.

**Secretary Week**, It is necessary to thank our secretaries for all of their hard work! They do so much for us.

## May

**Teacher Appreciation Week**. We give gifts to the teaching staff along with secretaries and principals to thank them for all of their hard work.

**PowderPuff Tailgate & Game** is held to celebrate spring and the approaching end of the school year. Both will be held on a Friday during the month.

**End of the Year Party**, was held at Player's Pizza last year. We enjoyed pizza while deciding on next year's Homecoming theme and Stu. Co. t-shirts. Member awards were also presented.
