- 
- A large, faint background image of a golden scale of justice and a wooden gavel resting on a sound block. The scale is positioned on the left, and the gavel is on the right. The background is a light yellow gradient.
- The construction industry is one of the most dangerous fields for employees in the US.
 - Construction workers are at high risk for serious injuries.
 - Injured workers have the right to claim compensation for medical bills and lost wages.
