Savannah takes control...

Tired of all the lies and deception, Savannah Miller must learn to face life on her own. As she seeks to find out who she really is, she still is still burdened with the fallout from past traumas that left her broken.

Her fragile hold on her new life slowly gives her the confidence to move ahead. What she really needs is right in front of her—Cole Logan is patiently waiting for the right moment to prove his love.

But her past isn't finished with her yet...

Are Savannah's strength and Cole's love enough to vanquish the shadows, or will those who mean them harm succeed in preventing the mending of their shattered souls?
