Is housing guaranteed?	Yes, on-campus housing is guaranteed on a first-come first-served basis. We have negotiated a specialized hall " Global Scholars House " (GSH) where we will give priority placement to our incoming exchange students. It is a traditional dormitory with a remodeled common kitchen space where half of the residents on the floor will be domestic students and the other half international exchange students. The floors are co-ed, with single gender community bathrooms.

"Global Scholars House" on-campus housing	This is a place for U.S. and International students to share a supportive and welcoming community. We have reserved space for our incoming exchange students. <ul style="list-style-type: none"> • Fall exchange students living on campus should let us know as soon as possible if they wish to live here so that a spot may be reserved since space is more competitive in the fall • Spring exchange students living on campus will be expected to live in the Global Scholars House since space will be available
Type of housing	GHS is located in Iba Hall and is considered a Traditional Dormitory. Rooms are double occupancy (same gender), and are fully furnished. Floors are co-ed and have same gender shared bathrooms, there is a common newly redone kitchen, lounges, and FREE on-site laundry facility
What's the distance from housing to the university?	Walking distance between 5 and 7 minutes to most classroom buildings
Are meals included in housing?	No but students have the option of purchasing a meal plan if desired
Application deadline for housing	Until full (on a first-come, first-serve basis) *Students have to be admitted and have their OSU email account activated. They have to apply on-line on their own after instructed.
