## NMO LOGO

## WELCOME NOTE

Welcome to the wonderful world of SCOPE and SCORE in Ethiopia. Ethiopia is a country in which more than 80 nations and nationality live together. The people are known for their hospitality, welcoming approach and for their humor. Ethiopia is a land of origin of Mankind and coffee.

## OVERVIEW

Ethiopia is located in East Africa. Here you will find a clinical and scientific standard in medicine to make your exchange - either clinical clerkship and research project - a highly valuable experience. In Ethiopia you also find a huge cultural diversity with more than 80 nations who have their own language, culture, dances and life style. Ethiopia is safe and number one tourist attracting country in world in 2014/15.

## HEALTH CARE SYSTEM

Ethiopia is well known for tropical disease. you will have an opportunity to see cases and learn to manage them. All our 10 medical universities have belonging teaching hospitals. Clerkship's will be provided in one of these universities or an associated teaching hospital. Research Exchange will mostly be located at the university or an associated research center.

## MEDICAL EDUCATION

In Ethiopia it takes 6 and 1/2 years to complete human medicine, we have a minimum of 2 years of preclinical studies and a minimum of 4 years of clinical studies. The admission for medicine studies in Ethiopia is restricted.

## TRANSPORTATION

exchange students would be advised to use Ethiopian Airlines because they will get a huge discount for Local flights in the country. you can get from one place to another easily using buses taxi airlines to go from one major city to another the new railway and depending on the city; bicycle

## SOCIAL PROGRAM

The beauty of Ethiopia is in the culture itself. Its in the people and their hospitality, their humor and their light bigheartedness. social programs include visiting museums (you will find the first human creature LUCY HERE), Traditional houses where you find more than 50 types of cultural dances with traditional foods, visiting out of the town like AKSUM, LALIBELA, FASILEDES ,go for hiking in beautiful mountains

## MUST SEE

AKSUM, LALIBELA, FASILEDES, Dahlol, Harar, National Musium

## CULTURAL DIFFERENCES

Most ETHIOPIAN'S are punctual,friendly,light bigheartedness Casual wear is common Smoking in workplaces, bars and restaurants is prohibited, there are some exceptions you should try Ethiopian coffee (JEBENA)

## OTHER IMPORTANT INFORMATION

Teaching language in all hospital's is English.but communication with patients is in Amharic
