

Krannert Website

We use our website to give you a place to find answers to a lot of your questions. We also use it to post information to keep you informed about things that are happening in the undergrad program.

<http://www.krannert.purdue.edu/undergraduate/home.asp>

If you want to print a plan of study, look up a description for a concentration course, calculate your MAI/EAI, or see if there are any scholarships available, you can do it here. We are always updating it so let us know if there is something you would like to see posted.

Useful links

Many advisors have a “favorites” list on our computers to make it easier to navigate Krannert and Purdue websites, here is that list for you to create your own “favorites” list.
