ASME is a national organization formed to provide mechanical engineers a forum in which to network, to gain industry and business information, and to share insight into current technologies. The University of Delaware has its own student chapter of ASME. Since the UD ASME chapter is working on the college level, the activities pertain more to undergraduate students.

ASME Delaware Section and University of Delaware Student Section Picnic

Meet the members of the Delaware Professional Section of ASME and help kick off a year of events. All ME students, faculty and staff welcome!

The picnic will be in Lewis Park at the back pavilion on September 9th starting at 5 pm. Free food and drinks sponsored by the Delaware Section. Marked by the Gold Star.

Respectfully,

Francis Fish
UD ASME President

Sponsored by the Delaware Section of the American Society of Mechanical Engineers.
