Letter from the editor

Happy New Year everyone! Therapeutic Recreation is looking forward to some great things in 2018. We are starting a new youth group for socials for youth ages 10-21. Please see page 3 for more details.

We are looking forward to some new and some old classes to continue. There will be changes with our coaches as some have had babies and have other commitments but we have great people that have joined our team as well.

Socials are going to continue and we appreciate the support from RAD as well to make our sports registration fees FREE. Check out the new website at supportrad.org. We have seen some growth in the numbers of athletes in our programs and love to have new participants as well as those that continue to participate with us.

We hope you will continue to participate with us. Tell your friends and sign up for new things. Most of all, have a great year.
