HOW TO EDIT AN USEFUL LINK

STEP #1: Click on the EDIT tab

STEP #2: From the drop-down menu, select "General Information"

STEP #3: From the drop-down menu, select the "Useful Links"

STEP #4: Click on the "Search" button

STEP #5: Click on the title of the section you wish to add or remove a link
STEP #5: Edit the content to add or remove the new link. Reading the "Making a Bullet Pointed List" on the "Adding Format to the Text" help files can be helpful.

STEP #6: Visit the website to make sure the changes took place.
