- NEMSMA Information and Technology Committee – Ridgely Ficks
- DMC NEMSIS Recommendations Workgroup – Melissa Belgau

### Old Business

- Definitions Work Group
- Model Position Description

### Discussion Items

- NHTSA Funding Update – Rachael Alter
- CARES Data Dictionary Changes – Kevin Putman

### NEMSIS TAC

- Karen and Clay (20-40 minutes)
  - 2016 v2.2.1 data submission status (5 minutes)
    - Goal: have all 2016 data submitted by May 31, 2107
  - NEMSIS Annual Meeting Date (5 minutes)
    - Date: Monday and Tuesday, October 2 and 3, 2017
    - Location: Deer Valley Resort
    - Two eight hour days
  - NEMSIS Version 3 Revision (same as this week's v3 call) (10 minutes)
    - Five primary areas of focus
      1. Suggested Lists for 18 elements using existing standard
        - Revise these elements to have a “much reduced” mandatory list of values.
      2. Elements to remove as national from DEM and EMS DataSets
        - DEM DataSet example: dConfiguration.11 (EMS Agency Specialty Service Capability) and dConfiguration.15 (Patient Monitoring Capabilities)

# NASEMSO Data Managers Council

---

## MEETING AGENDA

3. Develop a GUID for DEM and EMS DataSet files
4. Revise eOutcome
  - This section needs to be rebuilt to represent that format and data available through hospital CMS approved CCDA templates.
5. Split eDisposition.12 into two elements:
  - Incident/Call Disposition
  - Patient Disposition
6. Other Minor Revisions
  - Value additions to elements
    - Reviewing, commenting, and creating new revision requests
    - NEMSIS TAC jforum summary and link now available on NEMSIS homepage: [NEMSIS v3 Revision Requests.](#)
  - Overview of the New NEMSIS v3 State Specific Dashboard (10-15 minutes)
    - Available on the NEMSIS State Reports Page: <http://nemsis.org/reportingTools/reports/stateReporting.html>
    - Name: Sate Version 3 Current Composition of the Warehouse: ([link](#))
    - A Software Company Vendor Version is also available
  - Beta NEMSIS website overview (5 minutes)
    - Review and Feedback requested
    - <https://beta.nemsis.org>

### Other Business

### Next Meeting

The next meeting will be Tuesday, June 20, 2017 at 2:30 PM EDT.
