
Part Four **Ocean and** **Atmosphere**

481

I7 **Air-Sea Interaction**

H. Charnock
482

17.1	Introduction	482
17.2	The Surface Layer	483
17.3	The Lower Boundary	486
17.4	Waves	490
17.5	The Atmospheric Boundary Layer	495

I8 **Oceanic Analogues of Large-Scale Atmospheric Motions**

*Jule G. Charney and
Glenn R. Flierl*
504

18.1	Introduction	504
18.2	The General Circulation of Oceans and Atmospheres Compared	505
18.3	The Transient Motions	506
18.4	The Geostrophic Formalism	508
18.5	Linear Quasi-Geostrophic Dynamics of a Stratified Ocean	520
18.6	Friction in Quasi-Geostrophic Systems	525
18.7	Nonlinear Motions	529
18.8	Summary Remarks	544
	Appendix: The Quasi-Geostrophic Equations	546
	Notes	548
