Digital Marketing & Analytics
UNDERGRADUATE MINOR FOR NON-BUSINESS STUDENTS

Become a Digital Marketing Leader

UConn’s Marketing Department gives you the solid training you need to excel in digital marketing and analytics. Take classes at the #1 undergraduate public business program in New England* with faculty internationally recognized for their expertise in digital marketing and analytics. Highlights of the Digital Marketing & Analytics Minor include:

- A comprehensive approach that includes digital products and services, dynamic pricing, online distribution, social media and digital communication. Learn to think strategically about digital marketing and analytics.
- Research-based insights that support your learning.
- An emphasis on the critical thinking, communication, and data-driven analytical approaches that leading businesses want.
