Concise, current, and affordable, **CRIMINOLOGY: THE CORE**, Sixth Edition, delivers cutting-edge coverage in a succinct, easy-reading paperback. Author Larry Siegel guides you through the fast-paced field of criminology, its most current research, and fascinating examples that help you truly understand criminological theory. The text details the crimes of real-life people to illustrate specific criminology theories. Highlighting the interdisciplinary nature of the field, it also offers unbiased coverage of even the most controversial issues -- enabling you to form your own opinions. This edition includes the latest insights into political crime; terrorism (e.g. ISIS, lone wolves); white-collar, blue-collar, and green-collar crime; cyber crime; transnational crime (e.g. sex trafficking); and many other topics. In addition, the text is packed with resources like "Thinking Like a Criminologist" role-plays and "Connections" to the big picture to help you maximize your course success.
