Fact Sheet for Partner Universities

UCN provides more than 40 educational programmes which offer career opportunities for Danish and international students who pursue careers in a professional context. 29 of these programmes are fully taught in English.

UCN is a university college that offers applied academic learning and a real-life approach.

Academic Calendar

Spring semester:
1 February – 30 June*

Autumn semester:
1 September – 30 January*

Please note that students who are accepted for semesters 2-6 can start at the end of January/end of August.

Both tuition and examination periods are included in the above dates.

Orientation:
Our orientation for international students begins 2-3 weekdays prior to the beginning of the semester.

Recommended arrival date:
We recommend that the students arrive in Aalborg a couple of days before the beginning of the exchange studies. This will enable them to get to know the surroundings and UCN's facilities before the semester starts.

Application deadline:
Spring semester: 1 November
Autumn semester: 1 May
