Sharing of Concerns

Teachers and parents shall communicate with each other at the earliest possible opportunity once the student has demonstrated consistent inability to complete homework.

Children who demonstrate quality effort and spend sufficient time attempting to complete homework should be stopped when a parent observes that continuing is detrimental to the child's well-being. In such cases, parents should note the amount of time spent on the assignment and sign the paper.

If a child is consistently unable to complete assigned work, the parent should contact the teacher for support and accommodations as necessary. Teachers should also contact parents if a child consistently is unable to complete the assigned work.
