The regulations in Section 4, <u>General Information and Regulations</u>, located on the <u>University</u> <u>Calendar</u> are applicable for the listed programmes.

On occasion, programmes can be exempted from one or more of the clauses in these Regulations, or one or more of the clauses can be varied.

- Exemptions are characterised by the omission of the relevant clause.
- Variations are characterised by the replacement of the clause with alternative wording.

The programmes listed have approval from the Academic Quality and Standards Committee for the **exemptions** and/or **variations** to the regulations noted below.

Additional requirements are also listed.

Exemptions None

These regulations should be read in conjunction with the programme specification.

Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our <u>Disclaimer</u> to see why, when and how changes may be made to a student's programme.
