EXT: 1448

Upcoming Events

- Carl's Ice Cream Trip (May 19th)
Around 1:30 pm
- Last Day of Attendance (May 25th)

Reminders

- The air conditioning has been turned on in the school. Your child may need a little jacket throughout the day.
- On the last week make sure your child remembers their backpacks because we are going to clean out lockers.

Attention****

Due to our kindness struggle, we have started a kindness jar. Also, Mrs. McGowan is coming in 2 to 3 times a week for a kindness lesson with my class. I understand that we only have 20 more days left, however; it is not OK to be disrespectful to each other or to adults. What comes out of our mouth can be so hurtful! We can work together to makes these last days great!!!

Our Learning

Math:

As our last chapter in 4th grade we are working on Geometry. We decided to make it fun while educational. We are going to be building a GeoMetroCity. It is a 3D project. This will take us until the end of the school year.

Reading Stations:

99.9% of students are finished with their rough draft of their famous biography. Now they are putting their final presentations together.

Science/Soc. Studies:

We are wrapping up the story The Thing about Luck. Our final project is going to be baking the bread. Your child might be bringing the book home and the comprehension questions if they are behind. Please make sure they take care of this book as I got these books with grant money.
