Welcome to the Athletics Program for Guardian Angels Catholic School!

This guide was designed with parents in mind. We hope it will be helpful to you.

ATHLETIC DIRECTORS

We have two Athletic Directors at Guardian Angels: Mrs. Padinske and Mrs. Bahchevanova. If you have any sport related questions or concerns after reading this guide or during the sport season, please contact them.

Mrs. Padinske: kpaminske@gacsfl.com

Mrs. Bahchevanova: ebahchevanova@gacsfl.com

“Every Christian is called to become a strong athlete of Christ that is a faithful and courageous witness to His gospel.” ~Pope John Paul II, October 28, 2000

PARENT SPORT PARTNER

If you are new to the school or new to the sports program and would like a sport partner, please email either Mrs. Padinske or Mrs. Bahchevanova. We will be more than happy to pair you with an experienced sport parent who can help you through your first sport season. On the flip side, if you are reading this and are a veteran sport parent and would be willing to help a new sport parent in need, please send us an email, and we will put you on our list. Thanks!

SPORT PREREQUISITES

PHYSICAL & HEALTH SCREENING FORM:

Sport Physical: Need one per school year. **DUE TO DIOCESAN REQUIREMENTS: ALL SPORT PHYSICALS MUST BE PERFORMED AFTER JULY 1ST FOR THE CURRENT SCHOOL YEAR!!!** Best rule of thumb, if you know that your child will be playing sports during the school year, schedule his/her sport physical in July and submit the paperwork on the first day of school. The FORM that needs to be filled out by a physician is entitled: Health Screening Form. It can be found both on Plus Portals or Spin – click on Athletics. This form is different from the school physical form and also separate from the yellow and blue medical forms. Without it, your child will not be able to participate in any sports. Please note: you can go to any CVS, Walgreens, or Publix clinic to have this filled out – or your doctor’s office.

FORMS: The following forms can be filled out on SPIN. (For more information on how to fill out electronic forms, please see the section entitled SPIN.)

1. **Parent Code of Ethics Form:** Please read before submitting electronically. We do require that our Guardian Angels’ Parents act responsibly during our sport seasons. Good for one school year.
2. **Player Code of Ethics Form:** Please have your child read this and discuss it with him/her before submitting electronically. We do require that our Guardian Angels’ Student Athletes act responsibly during our sport seasons. This form is good for one school year.
3. **Athletic Contract:** This is the **ONLY** form that needs to be filled out prior to **EVERY** sport season your child wishes to participate in. There is a deadline for every sport, which is strictly followed. The only time a deadline will be extended is if there aren’t enough students to fill the team. **HELPFUL HINT:** If you know the sports that your child wishes to play for an entire school year, you can fill multiple athletic contracts out online at the beginning of the school year so you do not forget to do it later.

SPORT FEES

SPORT FEES: Two checks need to be submitted for most sports. One is a sport participation fee and will be deposited. The sport fee for the year 2014-2015 is \$45 per sport. The other fee is a uniform deposit fee of \$50. The uniform deposit fee will be returned to you at the end of your child's sport season providing their uniform has been returned in good condition. The only sports that differ from this rule are Bowling, Flag Football, Track & Golf as there is no uniform deposit fee for these sports. There is a sport fee for these sports. Track and Flag Football are both \$45. Golf and Bowling fees are determined prior to their season.

SPORT ELIGIBILITY

Participation in student athletics at Guardian Angels Catholic School is a privilege. Therefore, in order to be eligible for a sport, the following criteria must be met:

1. Maintain a grade of 65 or better in all core subjects: Composition, Language Arts, Math, Religion, Science, and Social Studies.
2. Adhere to the Middle School Disciplinary Code. (See Handbook.)
3. Have no more than one after school detention each quarter.

If any student's current quarterly average in a core subject is 64 or below when the bi-weekly eligibility report is generated, the student is placed on academic probation and is not eligible to participate in any athletic competitions or practices. However, he/she may support his/her team by attending his/her sport competition. The ineligible student's grade will be reviewed weekly. The athlete may regain eligibility as long as the subject average is acceptable and/or they show an upward trend in academic progress as determined by the administration. A student is placed on athletic probation after the first instance of ineligibility. In the event that the student is deemed ineligible a second time, he/she will be removed from the team for the remainder of that sport's season.

An eligibility report will be run the week before tryouts begin for each sport. If a student's academic progress is in question, a letter will be sent home informing the parent that the student may try-out but will be in danger of athletic ineligibility if their grades do not meet the above mentioned criteria. If a student is deemed ineligible after tryouts, he/she will be placed on probation and the eligibility criteria will be followed.

On the day that an athlete serves a detention, suspension, or other disciplinary action, he/she cannot participate in practice or competition.

If a student is absent, he/she may NOT compete or practice on the day of absence.

But they who wait for the Lord shall renew their strength; they shall mount up with wings like eagles: they shall run and not be weary: they shall walk and not faint.

Isaiah 40:31

COUNTRYSIDE RECREATION CENTER: (Our Practice and Home Game Gym)

Over the years, we have developed a great working relationship with the Countryside Rec Center. They have been very accommodating and supportive of the Guardian Angels Athletic Program. We would like to keep this relationship for years to come. In order for this to happen, we need your help.

We need to make sure we leave Countryside Recreation Center the way we found it. Rules have been put in place to assure that this happens and everyone remains safe. Please review the following rules listed below and do your best to abide by them.

- No food or drink is allowed in the gym. Water (with a cap) is the only exception to this rule.
- Student-Athletes may not be dropped off at the Recreation Center without a Guardian Angel adult or Athletic Director present.
- Student-Athletes may not go in the gym without a coach.
- Student-Athletes may not go in the weight room at any time.
- Parents and students are asked not to congregate in the entrance way of the Recreation Center. The employees are trying to assist people and answer phones. It is hard for them to do their job if a lot of people talking in this area.
- No animals are allowed in the Recreation Center at any time.

COMMUNICATION: EMAILS & TEXTING

EMAILS: Emails are used to keep you informed about the sport season your child is involved in. Please check your spam folder from time to time to make sure you receive the emails that are sent to you instead of them going into your spam folder. You may miss valuable information if you don't. Also, please make sure your email addresses are correct AND accurate when including them on the Athletic Contract. Those are the emails that will be used.

TEXTING: The purpose of group texting is to communicate last minute changes that will affect you immediately due to inclement weather or a coach's work schedule. How it works: To be included in the group texting, send a text to **Mrs. Padinske at (727) 644-3648**. In the text, include your name, your child's name and your child's grade. Once you have texted Mrs. Padinske once, you will always be included in the group text for your child's sport. If you do NOT wish to be included in the group text, please notify Mrs. Padinske. Please note: if you do not wish to receive a group text, you may not receive the last minute changes. Please find a sport parent that would be willing to keep you posted for the last minute details. Lastly, PLEASE DO NOT RESPOND to a group text. If you do, your response will be received by everyone in that group. Thank you! ☺
