

dash™ Payments Made Easy

Prepaid Technologies introduces dash™ Payment and Reward Solutions — a suite of prepaid products that drive a better payment experience for you and your customers. With more than 20 years of experience, we are the payment experts you can rely on, delivering faster, more secure and cost-effective payment solutions.

dashPayroll — Eliminate risk and fraud while delivering a more efficient payroll process. Employees have instant access to funds and your business is run more efficiently. A win-win for everyone.

dashPurchasing — Better expense management without petty cash or reimbursements. Add, remove or freeze funds in seconds while protecting against misuse, theft and fraud.

dashPerDiem — Remove the hassle of cash or cumbersome reimbursement processes. Perfect for travel, business expenses, student athlete disbursements and more.

dashReward — Motivate sales teams, promote your brand and drive engagement with reward and incentive cards. Backed by best-in-class technology that simplifies card issuance, loading, and fulfillment.

Custom Solutions — Some things don't fit into a "box." The dash platform provides top tier service, support and configuration tailored for your specific needs.
