

# How to find a list of survey questions

All users can access a copy of the full survey, including all of the questions asked, from the home page you enter upon logging in to MAP-Works.

On the lower-right portion of the home page is a portal labeled “Surveys.” Within this portal is a link labeled “Printable Survey” (boxed in **RED** below). Clicking this link will take you to a printable version of the survey that contains all of the questions asked to students.

Note: Make sure that you are pulling the questions from the survey you want. To change the survey, use the pull-down menu at the top of the Survey portal (boxed in **GREEN** below).

The screenshot displays the MAP-Works dashboard. On the left, there are two panels: 'REFERRALS' with a count of 0 and 'NON-RESPONDENTS' with a count of 3665. Below these are buttons for 'View Referrals' and 'View Students'. The main content area is divided into several sections: 'Academic Update Requests', 'Recent Activity', 'Support', and 'On-Campus Support Contacts'. Below these is the 'Administrative Reports' section with links for 'Our Students', 'Our MAP-Works Activity', and 'Executive Summary'. The 'Surveys' section is highlighted with a green border and contains a dropdown menu set to 'Spring Transition'. Below the dropdown, the survey status is 'COMPLETED', with launch and end dates. A red box highlights the 'Printable Survey' link, and a blue box highlights the 'Factor Questions' link. Below these are two progress charts for 'All My Students' and 'All MAP-Works Students', both showing 1081 responses (22.8%). The order number 27392 is visible at the bottom.
