

Ed.M. and CAS PETITION FOR INCLUSION OF PRIOR COURSEWORK

With approval, degree candidates may count towards the degree no more than a total of two graduate-level courses (or eight credits) taken (1) while enrolled as a nondegree student at HGSE prior to enrollment in the current degree program; (2) as extra courses while enrolled in a prior HGSE degree program; or (3) as a student at the Harvard Summer School. Independent Studies may not be included.

Please submit this form, with the program director's signature, to the Office of the Registrar, Longfellow G006 for a transcript review. They will forward the petition to the Assistant Director for Master's Studies for final approval. Summer School transcripts must be submitted with this form before they will be considered for inclusion. Tuition questions should be directed to the Office of the Registrar.

Note: If a student plans to apply one course taken prior to entering a HGSE Master's program, the student has two-and-one-half years from the time of matriculation into the degree program to complete the degree. Likewise, if a student plans to apply two courses taken prior to entering a HGSE Master's program, the student has two years from the time of matriculation to complete the degree.
