Independent 2016-2017 Verification Worksheet Federal Student Aid Programs

Your application was selected for review in a process called verification. The law says that, before awarding federal aid, we have the right to ask you to confirm information reported on your Free Application for Federal Student Aid (FAFSA) using this worksheet and other required documents. If there are differences, your FAFSA information will be corrected.

You must complete and sign this worksheet.

Non-scholarship aid will not be available until the verification process as outlined on this worksheet is complete. Preliminary Awards are estimates of eligibility. Any delay can cause the loss of eligibility for limited aid sources. Failure to complete verification prior to last day of enrollment can result in total loss of eligibility.

Authority to request and review information is provided under the financial aid program rules (34 CFR, Part 668).

NOTICE ABOUT INCOME VERIFICATION

Income information for tax filers must be matched with data on file with the Internal Revenue Service (IRS). See page 2.

As such, persons who have not filed their 2015 taxes* will not be able to complete verification until they have filed and their tax information is available from the IRS.

Availability of information for online IRS Data Retrieval or IRS Tax Return Transcripts can take up to 2 weeks of filing taxes electronically and up to 8 weeks following paper tax filing.

*Persons filing a tax deadline extension will have to complete the verification process now and again after filing taxes.

Important Income Information for Tax Filers

IRS DATA RETRIEVAL: Best way to verify income because UC is updated with how you used the IRS Data Retrieval Tool within FAFSA on the Web.

- Go to www.FAFSA.gov, log into the FAFSA record, select “Make FAFSA Corrections,” and navigate to the financial section.
- If eligible to complete the process, use the IRS Data Retrieval to transfer 2015 IRS income tax information to the FAFSA.
- When using IRS Data Retrieval, do not modify income after transferring it to the FAFSA. If modified, Transcript option will be required.

IRS TAX RETURN TRANSCRIPT: If you are unable or choose not to use the IRS Data Retrieval Tool, an IRS Tax Return Transcript will be required.

- Go to www.IRS.gov and use the “Order a Return or Account Transcript” link or call 1-800-908-9946.
- Make sure to request a *Return* Transcript, not an *Account* Transcript.
- SSN, date of birth, and address used on the taxes needed for each tax filer when making the request. IRS will only send transcripts to address on file.
- Married persons filing separate tax returns (or newly single who filed jointly) must use Transcript option to request tax info for both persons.
- Original (not photocopy) of transcripts must be submitted with this verification worksheet.

C. Student’s (and Spouse’s, if married) Income Information

1. **TAX RETURN FILERS:** Review information at the top of this page and check appropriate boxes.

- IRS Data Retrieval in FAFSA on the Web was used to retrieve and transfer IRS income information for the student (and spouse, if married and filed jointly) either on the initial FAFSA or when making a correction and no modification of the income data has since been made.
- Student unable or chooses not to use the IRS Data Retrieval Tool so original 2015 IRS tax return transcript(s, if married, filed separately) attached.
- Student filed an amended return so originals of the 2015 IRS tax transcript or signed copy of tax return *and* 2015 signed copy of 1040X are attached.
- Spouse filed separately and filed an amended return so originals of the 2015 IRS tax return transcript and 2015 1040X are attached.
- Student attached a copy of tax filing extension request. W-2 forms are also attached with information noted in the section below.
- Spouse filing separately attached a copy of tax filing extension request. W-2 forms are also attached with information noted in the section below.

(Extension filing will require completion of verification again after taxes are filed and could result in loss of aid eligibility including a balance owed immediately to UC.)

2. **TAX RETURN NON-FILERS:** Complete this section if student (or spouse, if married) will not file and is not required to file a 2015 income tax return with the IRS.

- Student (or spouse) not employed and had no income earned from work in 2015.
- Student (or spouse) employed and completed info. Every employer, even if they didn’t issue a W-2, must be listed, and W-2s must be provided if issued.

VERIFICATION PROCESS

■ AID PROCESSING CANNOT CONTINUE UNTIL PAPERWORK IS SUBMITTED.

selection and submission

- A percentage of all aid applicants are selected for federal verification. It is a generalized quality assurance program and does not reflect a specific concern with your aid application.
- Students selected for income verification must complete the income verification worksheet and return it along with required documents.
- Because tax information must be verified with IRS information on file, completion of the verification process may be delayed if you have not filed the appropriate taxes. Always file taxes early when applying for federal financial aid.
- **Copies of taxes are no longer accepted to verify income information.** The IRS Data Retrieval process via FAFSA on the Web (making no changes to income data once transferred) must be utilized *or* IRS Tax Return Transcripts must be supplied. A signed 1040X is also required if you amended taxes.
- Delays in submission of required documents can affect eligibility.

review paperwork prior to submitting

- Please review household information to ensure those persons you have listed qualify based on the instructions on the verification worksheet.
- Include the student SSN or UCID on attached documents. Double check that the verification worksheet includes the proper signatures.

financial aid award

- Any non-scholarship aid shown in a Preliminary Award is an ESTIMATE of eligibility. Complete awarding will be done following verification processing.
- Your submitted documents will be compared to your aid application, and UC will make any required adjustments with the federal processor. As such, verification processing by UC can take several days to complete once documents have been submitted.
- You can continue to monitor your aid status at www.financialaid.uc.edu or www.onestop.uc.edu using the “check my aid” link.
- Once complete, your financial aid award will be displayed online for you to accept or decline as desired.

THANK YOU FOR SUBMITTING REQUESTED PAPERWORK IN A TIMELY MANNER.
