CAMPUS MAP & VISITOR GUIDE

SEEING IS BELIEVING.

Come take a look. Walk with us. Talk to us. Experience the world of possibilities that Cal U has to offer.

We're a close-knit community, at home in more than 40 academic buildings, performance spaces and residence halls, each one designed with teaching and learning in mind.

We're also an arboretum campus – a carefully cataloged collection of more than 500 trees and shrubs representing over 100 species, including a sampling of nearly every tree indigenous to Pennsylvania.

From the Quad to the Convocation Center, from the Ceramics Labs to the Library, and from Old Main to Hamer Hall, you'll find the comfort, character and culture of Cal U is something to believe in.

Your first stop is the Welcome Center, in the Eberly Science and Technology Center. (If you register in advance, we'll set up a free parking space out front.)

This is the place to pick up literature about the University and start your campus tour.

While you're visiting, spend some time admiring the sculptures on campus. Check out the library or grab a bite to eat.

And don't forget to ask questions. We'll be happy to tell you more.

CHOOSE THE WAY YOU CRUISE.

Do you prefer a personal tour with a student guide who can share inside knowledge about buildings, programs and day-to-day life on campus?

Contact us to **register for a customized 2 ½ hour tour** and question and answer session that covers it all for you.

Are you a do-it-yourselfer? Like the freedom of dropping in and being your own guide?

Stop at our Welcome Center, take our map and go. You're welcome to walk the campus and spend as much time as you like taking it all in.
