Subject: Accepting the Editorial Board Member position of Bioequivalence & Bioavailability

Dear Journal Coordinator,

I would like to continue as an Editorial Board Member for the prestigious journal, **Bioequivalence & Bioavailability**, a renowned periodical in bioequivalence & bioavailability and allowing the journal to display my affiliation details at journal's website.

I am happy to render my continuous support and suggestion(s) for the betterment of journal in favoring the dissemination of scientific knowledge for the respective research community.

Best wishes,

Regards,

Suggestion or proposal:

Best wishes to the journal for publication of quality articles in the field of bioequivalence & bioavailability research. I would like to mention that the journal has been able to maintain its quality standards over the years. And I feel quite satiated to have been associated with it while contributing significantly in its development and growth too. I wish JBB to be studied with high impact factor shortly.
