

Applying for Financial Aid

In general, United States citizens and permanent residents are eligible to receive federal financial assistance when pursuing post-secondary education.

Students who expect to finance all or a portion of their education costs with U.S. federal financial assistance must complete the Free Application for Federal Student Aid (FAFSA) with Adler University's school code: **G20681**.

The FAFSA is made available in October for the upcoming academic year. Students in the August 2016 – March 2017 cohorts should complete the 2016-2017 FAFSA. Students in the May 2017 – March 2018 cohorts should complete the 2017-2018 FAFSA. *Aid applicants are encouraged to submit their FAFSA as soon as possible to allow enough processing time for federal financial aid for the upcoming year.*

Loans

Aid eligible students can borrow from two [loan programs](#): the Unsubsidized Stafford and the Graduate PLUS. Both loans accrue interest during deferment and grace periods, but repayment is not required while students are enrolled in a degree program on at least a half-time basis. Interest begins accumulating at the time of loan disbursement.

Federal loans have fixed interest rates for the life of the loan. Federal loans also include a small origination fee that is deducted before the loans are applied to a student's account. Actual interest rates and origination fees depend on the date that the loan is borrowed. Please see the tables below for current rates.

Interest Rates

Loans first disbursed between:	Unsubsidized Stafford	Graduate PLUS
7/1/16-6/30/17	5.31%	6.31%
7/1/17-6/30/18	undetermined at this time	

Origination Fees

Loans first disbursed between:	Unsubsidized Stafford	Graduate PLUS
10/1/15-9/30/16	1.068%	4.272%

Academic Program Structure

Students in the Online Campus can complete their studies in 2 years with 3 academic terms over a total of 12 course sessions. Each academic term is composed of a set of four 8-week course sessions. Online Campus students are registered, billed, and receive financial aid disbursements for one academic term at a time.

There are two academic terms in an aid year; and a student's third and final academic term will require a new aid application. Note that this means that the first financial aid year is significantly longer than a standard calendar year and will actually cover a period of 16 months.

Expected Charges

The following chart illustrates expected charges for a student's entire academic program. Deviations from the standard plan of study will affect this estimate.

If needed, students can request additional loans to help with living expenses through the “request a new loan” link on Financial Aid Self-Service. **All students are urged to borrow conscientiously. Coming up with a strict budget is the key to completing graduate school with as little debt as possible.** Students may request a *maximum* of \$1,950 per month for living expenses. A refund will be issued by the 14th day of each academic term in which accepted financial aid is over the amount of charges. This means that living expense refunds will be issued once every 8 months and students must budget accordingly.

Each year of borrowing increases debt and the expected monthly repayment. The Office of Financial Aid strongly encourages students to balance financial need and loan debt throughout the course of their study.
