UFID: \_\_\_\_\_ – \_\_\_\_\_ Student's Name: \_\_\_\_\_

Information contained in the National Student Loan Data System (NSLDS) indicates a potential problem with your financial aid application. The NSLDS information states that you have exceeded the maximum amount a student is allowed to borrow through the Federal Direct Student Loan and/or Federal Family Education Loan programs.

To regain your financial aid eligibility and allow our office to continue processing your financial aid, please either 1) provide documentation showing that you have repaid the amount borrowed in excess of federal loan limits, 2) provide documentation that the information contained in the NSLDS is inaccurate, or 3) provide documentation that you have made satisfactory arrangements with your lender(s) to repay loan amounts borrowed in excess of federal loan limits.

Please contact a financial aid adviser at the above number for further information regarding resolution of this problem.

Sincerely,

Office for Student Financial Affairs
