

Harvard University Commencement - on DVD

Commencement Video produces broadcast-quality, 5-camera recordings of the Harvard Commencement Day and Undergraduate Class Day activities in Tercentenary Theatre. Both the morning and afternoon recordings of Commencement also include commentary during the processions preceding the actual exercises.

The 2016 Commencement Day speaker will be Steven Spielberg, Academy Award-winning director. He will participate in the morning program and deliver his address during the afternoon ceremony. We will **NOT** be recording the Divinity School diploma ceremony. However, the Undergrad Class Day program will feature invited guest speaker, Rashida Jones.
