AB-1433 (Gatto) Requirement: On September 29, 2014, Governor Brown signed into law AB-1433 regarding campus safety and UCI's collaboration between the UCI Police Department and local law enforcement agencies in UCI's jurisdiction:

- California law (AB-1433) requires Campus Security Authorities ("CSAs") to ***immediately, or as soon as practically possible***, report any of the following crimes if the crime occurred on campus (including on the UC Irvine Health campus) or in any non-campus buildings or property, made by the victim for purposes of notifying the institution or law enforcement:
 - Any Part 1 violent crime (homicide, rape, robbery, or aggravated assault);
 - Any type of sexual assault; and
 - Any type of hate crime.
- Under AB-1433, **CSAs may not identify the victim to UCI Police Department unless the victim consents to being identified after being informed of his or her right to have his or her personally identifying information withheld.** What this means is if a victim reports to a CSA any of the above crimes, each CSA must inform the victim of his or her right to have their personal identifying information withheld from the CSA report, unless the victim consents to providing their information.
- Once a CSA report is received, the UCI Police Department must ***immediately, or as soon as practically possible***, disclose to the applicable local law enforcement agency the reports described above. UCI Police Department has implemented written procedures to ensure these reporting requirements are met.
