*Department of Cultural
and Recreational Activities***UCLA RECREATION'S PHILOSOPHY**

Providing excellent educational and leisure opportunities is evident in all of our youth programs, which emphasize each child's needs and personal development while working in a group.

STAFF CERTIFICATION

Community First Aid and cardiopulmonary resuscitation by the American Red Cross.

INCLUSION

UCLA Recreation Summer Camps have a philosophy of inclusivity in all of our programs. This applies to campers and their families regardless of physical or cognitive ability, sexual orientation, gender identification, race, or religion. It is essential that all members of our community are aware that they are choosing to participate in an organization that holds this value and understand that our participant expectations of campers and their families is reflective of this philosophy.

UCLA Recreation provides inclusive opportunities for campers with special needs. Campers with special needs are included in activities with their typically developing peers and follow a schedule that may include social skills and behavior coaching throughout the day. As campers are fully integrated into the typical camp experience, a camper assessment with our adaptive coordinator may be needed to ensure the best match between camper needs and program structure. For the safety of all staff and participants, programs are not designed for children who have significant non-compliant or aggressive behaviors. If your camper or family has a need that could require additional support, we expect that you will proactively work with our staff to create a camp plan that will facilitate success for your camper.

SWIM LESSONS

Lessons available for all ages

INSTRUCTORS

UCLA Recreation swim instructors have Water Safety Instruction (W.S.I.) certifications or a comparable level of training and instructional experience and are capable of multi-level instruction. While we make every effort to preserve instructor continuity, we cannot guarantee it.

MAKE-UP LESSONS

Due to the popularity of our swim lessons, UCLA Recreation is unable to reschedule or make-up lessons missed by participants. In the event of an unexpected facility closure, program or instructor error participants will be issued a pro-rated refund or rescheduled on a space available basis.

TRANSPORTATION

With the exception of campers enrolled in the Extended Swim program, UCLA Recreation does not transfer campers from a camp program to a Private or Semi-Private Swim Lesson as swim lessons are separate from summer camps and require an adult chaperone in the facility.

Private Lessons (3–12 years)

Fee: \$75 | \$85 | \$95 | \$100 | \$110
*Fee: \$60 | \$68 | \$76 | \$80 | \$88

Add an additional child
for a semi-private
Fee: \$30

Swim Lessons are available weekdays and weekends for children aged 3-12 years. Make any lesson (for children aged 5 and above) a semi-private by adding another child for an additional \$30. (A maximum of two children can be enrolled in a semi-private lesson). We highly recommend that semi-private partners are at a similar age and/or ability level. Lessons are located in the Family Pool at Sunset Canyon Recreation Center.

COUNSELORS IN TRAINING

Entering 9th–12th grade | Ages 14–17 years

Must be entering 9th–12th grade in Fall 2016 and at least 14 years old by December 1, 2016.

This program teaches teens to work with youth while earning community service hours. Each participant will attend mandatory trainings that will cover topics like leadership, team building, supervision of children, inclusion, CPR/First Aid certification, and other specialized trainings as necessary. Directly following the training week, CITs will be placed in a one-week volunteer opportunity in one of our camp programs. Placement in camp programs will depend upon each CIT's age (as listed below), demonstrated strengths, and the weekly needs of each camp program. CITs must pass a swim test for programs that frequent pools or the ocean.

For Volunteer Week, CITs may choose to work an AM, PM, or all-day shift for the duration of the week. After successfully completing this two-week program, CITs may be invited to apply to be a CIT Volunteer in our camp programs, providing them the opportunity to volunteer throughout the remainder of the summer.

IMPORTANT

CITs must attend all training days in one session and at least one full week (a half- or whole-day shift) in the camp they are assigned to train with.
