STATEMENT

Creative professional who seeks to lead, inspire, and provoke brands and organizations in becoming the best in their market through innovative solutions.

EXPERIENCE

Design Lead

Church on Fire Ministries | 2011-2016

Established a design department for a mega church of 3000 members. Partnered with the Lead Pastor and executive staff as a key player in larger organizational turnaround. Spearheaded new creative philosophy and created a culture of excellence within the communication arts department. Responsibilities included:

- Brand management.
- Execution of design collateral such as branding and identity, advertisements, illustrations, brochure design and extensive work in program and conference design.
- Led the creative function so that the environment, culture, team, processes, expectations, work style, and other elements supported the strategic goals and brands of CFM.
- Formed, supervised and inspired the volunteer creative team as well as key staff members.
