West Palm Beach Car Accident Lawyer David Glatthorn – Expect More

Car accidents turn people's lives upside down every day in West Palm Beach and throughout Florida. In 2010, auto accidents injured 195,104 people and killed 2,444 statewide, according to statistics compiled by the Florida Department of Transportation. In Palm Beach county alone, 124 people died in car accidents.

Knowing what to do after an auto accident can be confusing. What seems like the right thing can sometimes result in an injured driver receiving less money than they deserve for an accident. That's why it's critical that Florida car accident victims contact someone who can stand up for them. If you've been injured in an auto accident, you need someone who will make sure your rights are protected, someone who will demand you get the compensation you rightfully deserve, someone who puts your interests first. You need David Glatthorn, West Palm Beach car accident lawyer.

Serving clients for more than 30 years, attorney Glatthorn has a strong track record for obtaining large, sometimes multi-million-dollar verdicts for serious car accident injuries. In one instance, attorney Glatthorn was co-counsel in a \$15 million bad faith case recovery for a crash victim. More recently, attorney Glatthorn secured a \$1.85 million damages award for car accident victim with spinal cord injuries.

Demand justice. Contact West Palm Beach car accident attorney David J. Glatthorn

If you've been injured in an accident, you might not be able to work for weeks or even months. How would you pay your bills? What if your insurance company refuses to cooperate? All of these things need to be taken into consideration. That's where experienced, knowledgeable Florida car accident lawyer David Glatthorn can make a difference. He can help with each step

after an accident. He knows what questions to ask insurance companies. He knows how to thoroughly investigate the causes of auto accidents. He works tirelessly to make sure your rights are protected.

Causes Of Car Accidents Cover Wide a Range. Attorney David Glatthorn Can Help

Car accidents can happen for so many different reasons. Whatever the reason, you shouldn't have to suffer if you sustained a serious injury due to someone else's reckless behavior. In South Florida, Palm Beach car accident attorney David Glatthorn works tirelessly to hold people accountable for their actions.

As a Board Certified trial lawyer with more than 30 years of experience, attorney Glatthorn knows how to thoroughly investigate auto accidents. He knows what to look for and he knows how to use that information to get people the compensation they rightfully deserve to cover the true cost of a serious car accident.

Too often, too many people underestimate the cost of a car accident. It's not just your immediate medical expenses. You need to consider the long-term financial implications of your car accident. Will your injuries still be affecting you 10 years or 20 years or more in the future? These are the questions attorney Glatthorn can help you consider after your accident.

Florida car accidents demand strong legal action, Contact a West Palm Beach Car Accident Lawyer. Contact David Glatthorn today

The causes of car accidents can cover a wide range. Some of the most common causes include:

- Drunk Driving Accidents
- Distracted Driver Accidents
- Cell Phone Accidents
- Texting While Driving Accidents
- Reckless Driving Accidents
- Speeding Accidents
- Tired Driver Accidents

Types of Car Accidents Vary Widely In West Palm Beach, Florida. Take Action

Different types of car accidents demand a different approach. Sometimes, the investigation should focus on the police report for the accident. Other times, it's the physical evidence like the

damage to the vehicles or the skid marks on the road. But often times, all you need to build a strong case against a reckless driver is an eyewitness who saw the whole thing, who saw the other driver cause your multiple car accident.

West Palm Beach car accident lawyer David Glatthorn knows exactly how to go about conducting such investigations. He knows what evidence to look for, which approach works best and how to go about conducting such an investigation. He has over 30 years of experience defending the rights of injured auto accident victims. And he has the verdicts and case results to prove it.

Attorney Glatthorn belongs to the prestigious “Million Dollar Advocates Forum,” an organization reserved for lawyers who have obtained a verdict or settlement worth over \$1 million for a client. Less than 1 percent of lawyers in America belong to the “Million Dollar Advocates Forum.” Mr. Glatthorn has secured many verdicts and settlements of over a million dollars for his clients.
