

Night Owl's CS-Mini-DVR-4GB: Mini Video DVR with 4GB Micro SD Card

Night Owl's Mini Video recorder with 4GB Micro SD Card allows you to secretly record video/audio and take pictures with a hidden camera. This mini DVR can record videos with audio of the nanny while you aren't at home and every detail of important business meetings without anyone ever knowing that they are being recorded. This mini DVR is small enough that you can take it on the go so you won't miss any of those important moments. It can record up to 100 minutes with the provided 4GB Micro SD Card. This DVR also comes with 4 bonus items. To protect your mini DVR from scratches and damages we have provided you with a clear protective case. There is also a clip that the mini DVR securely slides into to allow to attach to anything that you would like such as a shirt pocket or even a belt loop. The clip also can be securely placed onto a swivel mounting bracket that is provided. Are you afraid that you might lose the mini DVR? We have also provided a neck guard that you can attach it to and wear it around your neck so that you won't lose it and have it out for your convenience. Night Owl is one of the only security companies with 24/7 technical phone support. Rest assured that you will be able to reach us any time, any day.
