

FAQ: Is Math Formulas using Latex supported in KWizCom WikiPlus?

Question

Is Math Formulas using Latex supported in KWizCom WikiPlus?

Product & Version

KWizCom Wiki Plus Standard Evaluation 2.x.xx for SharePoint 2007

KWizCom Wiki Plus Standard Evaluation 12.x.xx for SharePoint 2010

Answer:

Our editor is from Telerik. Currently it does not support Latex "Out of the box". You will have to integrate a third part tool which will add the library.

Telerik has outlined the process here:
