

## Registration for CIC® Prep Course

*A free training session in infection prevention and control  
for healthcare workers in Louisiana*

**Coming to New Orleans, LA, January 29 – February 1**

Holiday Inn - Downtown Superdome 330 Loyola Ave, New Orleans, LA 70112

**CIC® Course Registration:** [http://rise.apic.org/web/apic/Events/Event\\_Display\\_3.aspx?EventKey=NORCIC](http://rise.apic.org/web/apic/Events/Event_Display_3.aspx?EventKey=NORCIC)

In partnership with the Louisiana Department of Public Health, APIC is offering CIC® Prep Course for IPs training to be certified. [CIC® Certification Booking Link](#) Guests can call 1-800-238-0227 with group code **CIC** or they can use the link to book online. Dates of stay are January 28th through February 1st w/a 72-hour cancellation policy, 1 free breakfast per room, and free parking for 1 vehicle per room.

The CIC® credential shows a commitment to best practices in infection prevention and control and improved patient care and signals to your employer and colleagues that you are committed to your professional growth.

This interactive overview course includes a mix of presentations, application/practice activities, and question/answer opportunities led by highly experienced faculty. You will have opportunities to build community with your peers who are also preparing for the exam. The faculty will provide you with access to a variety of resources to help you prepare, including additional online CIC® preparation presentations, a practice exam, frequently asked questions resource, and test preparation tips and strategies.

*\*For a current APIC member please sign in to register, for a non-member please create a new account at the bottom of the page.*

Please note that registration is limited to healthcare workers in Louisiana. A confirmation email will be sent within three business days to confirm registration.

**About APIC:** APIC's mission is to create a safer world through prevention of infection. The association's more than 15,000 members direct infection prevention programs that save lives and improve the bottom line for hospitals and other healthcare facilities. APIC advances its mission through patient safety, implementation science, competencies and certification, advocacy, and data standardization. Visit APIC online at [www.apic.org](http://www.apic.org).

*This program is sponsored by the Louisiana Department of Public Health and made possible through funding from a cooperative agreement with the Centers for Disease Control and Prevention (CDC).*

*APIC is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.*
