The Department of Planning and Zoning and the History Commission continually review and update the Inventory of Historic Sites. However, it is possible that some of the above information may contain errors. Please note: many of the properties encompassed a much larger area when originally listed in the Inventory. The current locations of extant architectural resources are updated periodically. For the protection of archaeological sites, their exact locations are not revealed.

To request reasonable ADA accommodations, call the Fairfax County Department of Planning and Zoning, 703-324-1380, TTY 711 (Virginia Relay).
