
[PDF] ONLINE The Oracle: The Jubilean Prophecies and the Mystery of the End FOR IPAD

Description

To know what the future holds, know what the past is hiding. Jonathan Cahn, author of the New York Times best sellers The Harbinger, The Mystery of the Shemitah, The Book of Mysteries, and The Paradigm, now unveils The Oracle, in which he opens

up the jubilean prophecies that have determined everything from the rise and fall of world empires to two world wars, current events, end-time prophecy, and much more. Could an ancient prophecy given in a Middle Eastern desert over three thousand years ago determine the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States? Could this ancient revelation pinpoint the events of our time down to the year, month, and date? Could a mysterious ordinance manifest on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered—and now be altering—the course of world events? Jonathan Cahn takes the reader on a journey to find the man called “the Oracle.” One by one each of the jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover The Mystery of the Stranger, The Lost City, The Man With the Measuring Line, The Birds, The Return, The Day of the Lions, and much more. Ultimately The Oracle will reveal the meta-secret of end-time prophecy. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative; a traveler is given seven keys, each for the opening of one of seven doors. Behind each door lies one of the seven streams of the jubilean mysteries. As with Cahn’s other works, the reader will find that what is revealed inside *The Oracle* is absolutely real, amazing, life-changing, and mind-blowing.
