Following instructions – using BBC Skillswise

1. Plug headphones into your computer.

2. Log into your machine.

3. Click on the start tab.

4. Click on the blue 'e' (this will open up the Internet).

5. Type the following into the search bar at the top of the page

www.bbc.co.uk/skillswise

6. You are now on the home page.

7a. **For literacy activities** find the green circle with an image

of a book inside (words) near the top on the right and click once.

7b. **For numeracy activities** find the orange circle with a plus

sign inside (numbers) near the top on the right and click once.

8. On the right find 'See curriculum references for these modules' and

click once.

9. Now click on the topic you want to work on in the left hand column.
