

How to Register for Classes

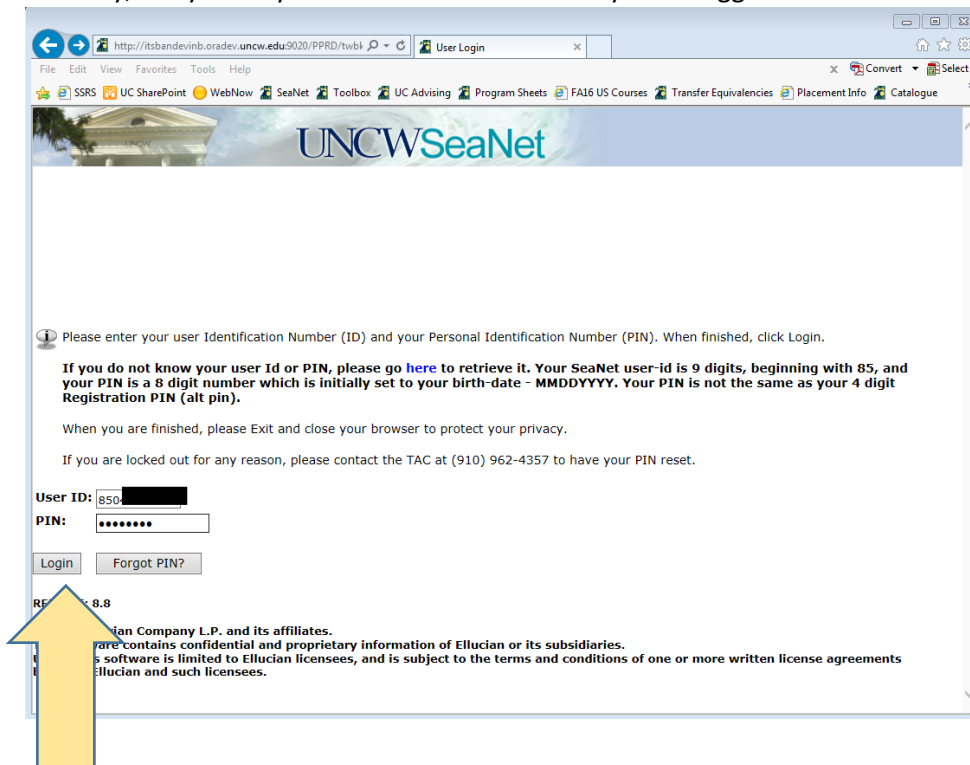

Go to www.uncw.edu, hover over Quicklinks in the top right corner, and click SeaNet.

The screenshot shows the UNCW website interface. At the top, the browser address bar displays <http://www.uncw.edu/#>. The website header includes the UNCW logo and the text "UNIVERSITY of NORTH CAROLINA WILMINGTON". Below the header is a navigation menu with categories: ABOUT UNCW, ADMISSIONS, GLOBAL, OFFICES & SERVICES, LIBRARY, and FINANCIAL AID. A secondary menu lists various services: Students (Current, Future, Online), Military, Parents, Faculty & Staff, Alumni, and Visitors. On the right side, a "Quicklinks" dropdown menu is open, listing various university services. The "SeaNet" link is highlighted in yellow. Below the navigation is a large banner image showing five people in suits holding a trophy. The text "UNCW Thanks Donors for Historic Gift" is overlaid on the image. Below the banner is a navigation bar with categories: Academics, Research, Arts/Culture, Engagement, and Athletics. Below this is a green banner with the text "GIVING FLIGHT TO IMAGINATION". At the bottom, there are three smaller images: "SEE 'HAWKS!' with the UNCW logo, "RANKINGS" showing people at a computer, and "WE ARE UNCW" showing a person on a motorcycle.

Click Secure Login for Faculty, Staff and Students.

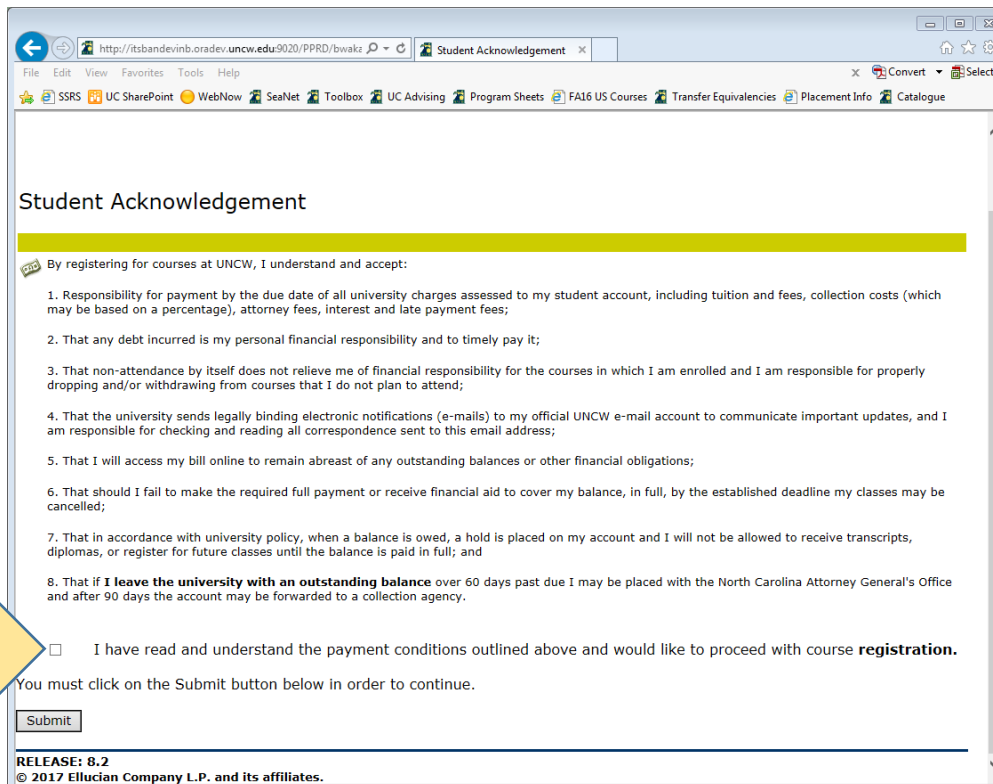

Log in using your UNCW student ID number and password. Your SeaNet username begins with an 850 and was included with your decision letter to the university. The password is initially set to your 8-digit birthday, but you may have created a new one if you've logged in before.

Once in SeaNet, you may have to answer a few security questions if this is your first time accessing the page. Please take a moment to complete this important step.

You may also encounter a screen with a Student Acknowledgement. Please review, click the box that you understand the payment conditions, and click submit.

Student Acknowledgement

By registering for courses at UNCW, I understand and accept:

1. Responsibility for payment by the due date of all university charges assessed to my student account, including tuition and fees, collection costs (which may be based on a percentage), attorney fees, interest and late payment fees;
2. That any debt incurred is my personal financial responsibility and to timely pay it;
3. That non-attendance by itself does not relieve me of financial responsibility for the courses in which I am enrolled and I am responsible for properly dropping and/or withdrawing from courses that I do not plan to attend;
4. That the university sends legally binding electronic notifications (e-mails) to my official UNCW e-mail account to communicate important updates, and I am responsible for checking and reading all correspondence sent to this email address;
5. That I will access my bill online to remain abreast of any outstanding balances or other financial obligations;
6. That should I fail to make the required full payment or receive financial aid to cover my balance, in full, by the established deadline my classes may be cancelled;
7. That in accordance with university policy, when a balance is owed, a hold is placed on my account and I will not be allowed to receive transcripts, diplomas, or register for future classes until the balance is paid in full; and
8. That if **I leave the university with an outstanding balance** over 60 days past due I may be placed with the North Carolina Attorney General's Office and after 90 days the account may be forwarded to a collection agency.

I have read and understand the payment conditions outlined above and would like to proceed with course **registration**.

Click Class Search to begin registration.

The screenshot shows a web browser window with the URL http://itsbandev.inb.oradev.uncw.edu:9020/PPRD/bwskfreg_P_Check/. The page title is "Add/Drop Classes:". The user is logged in as "850 [redacted] Franklin" for "Fall 2017" on "May 02, 2017 02:07 pm".

Use this page to add or drop classes for the selected term.

Fostering Undergraduate Student Success (FUSS) - Effective Fall 2014. The UNC Board of Governors established a state-wide policy, effective 2014, whereby you are required to meet the standards of Satisfactory Academic Progress (SAP). These standards include requirements for your GPA, successful hours completion, and maximum allowed course withdrawals. See [Fostering Undergraduate Student Success](#) for details.

- CRN** - The CRN (*Course Reference Number*) is a unique five digit code identifying a particular course offering. The CRN for a section displays under the CRN column in course search results.
- Add Class Table** - Use of the add class table allows an enrollment attempt into a course by entering the CRN directly, bypassing the class search process. Enter the CRN of your intended course into the table and submit to attempt enrollment.
- Lab & Lecture Courses** - To enroll in a lab that requires a lecture or a lecture that requires a lab, enter the CRN for both the lab and the lecture in the add class table (bottom of this screen) at the same time and submit both simultaneously to avoid a prerequisite error. You will not be able to add only one of the two course components.

Wait Lists - Classes may present a wait list option when the class reaches maximum capacity.

- The number of available wait list slots displays in the WL Rem column. To add to a wait list, enter the CRN in the add class table and submit. Allow the screen to refresh, then select "Waitlist through SeaNet" in the action field, and submit.
- Should a seat become available to you, an email will be sent to your UNCW email address, giving you **24 hours to complete registration** for the course (*4 hours during the final 48 hours of the drop/add period*). If registration is not completed within the allowed time, the seat will be offered to a different student.
- If you have already registered or waitlisted into a class for the term, those courses will appear in the Current Schedule section. Additional classes may be added in the add class table by entering the (CRN) and submitting. Classes may be dropped by using the options available in the Action field. If no options are listed in the Action field then the class may not be dropped. When add/drops are complete click Submit Changes.

Distance Education-Extension Site Billing - If you are a "full-time regular student," there will be no additional charges for taking extension site courses (*800-series section numbers*). All other students will be billed based on the classification of the course - main campus vs. extension site.

- Both rate tables can be found online at <http://www.uncw.edu/studentaccounts/rates.html>
- For tuition purposes a "full-time regular student" is: an undergraduate student taking 12 or more main campus credit hours or a graduate student taking 9 or more main campus credit hours

Seat Availability: The "Rem" column shows the number of seats remaining. However, if a class has students on a waiting list ("WL Act" column), those remaining seats are open only to students on the waiting list.

Reserved Seats: These seats, designated in the "Rsrvd Rem" column, represent seats that are open. However, these seats may be reserved for new student orientation attendees. You'll know this if you see "**Some Seats Reserved for Orientation**". If a course "Rem" is equal to "Rsrvd Rem" and you are a continuing student, you will likely not be able to register for these seats.

"Cap" is inclusive of "Rsrvd Rem" seats, NOT in addition. (i.e., 20 Cap & 2 Rsrvd Rem means that only 18 seats are available outside of the reserve)

Below is a breakdown of the class information:

The first column shows if there are available seats. A checkbox (as seen below) means a seat is available. If there is a 'C' there instead, this means the course is closed, or unavailable.

Meeting day abbreviations: M=Monday, T=Tuesday, W=Wednesday, R=Thursday, F=Friday

The “Cred” column lists how many credit hours a course is worth. Most classes will be 3 credit hours, but lab sciences are four credit hours and PED 101 is two credit hours.

The Date column shows what date the semester begins and ends.

The Location column shows where the class will meet.

The column titled “Cmp” stands for campus. Most courses are taught through the Main campus (M), but there are also courses offered through our extension campus (EXT).

Cap = Capacity; the maximum number of seats in the course

Act = Actual; how many students are actually registered for the course

Rem = Remaining; the number of remaining seats

WL Cap = Waitlist Capacity; the number of seats on the waitlist (not all courses offer a waitlist)

- A waitlist is only available for classes that are currently full. This is similar to being the first or second person in line in case someone drops a class.

WL Act = Waitlist Actual; the number of students on the actual waitlist

WL Rem = Waitlist Remaining; the number of seats remaining on the waitlist

- Note: Do not register for a waitlisted course during early registration.

Rsrvd Rem = Reserved remaining; number of seats remaining that were reserved (not all courses have reserved seats).

- Seats are most commonly reserved either for students attending orientation or to ensure a certain number of seats are held for students in a particular major.

Attribute explains where a course falls in the University Studies curriculum.
