This list is provided by WJU Campus Ministries as a resource to help students find a local church. This list is by no means comprehensive and is not meant to show favoritism for any particular church or ministry listed in this guide.

If you know of a church that may be helpful to add to the list, simply contact the office of Campus Ministries at WJU at campus_ministries@jessup.edu and we will discuss your church referral. Due to our heritage at William Jessup University this list is comprised solely of Protestant Christian churches who support WJU's Statement of Faith and Community Covenant.

For information on other churches, denominations, or religions feel free to contact WJU Campus Ministries and we will be happy to discuss your questions or needs.
