

Here is a list of questions you may be thinking

- What is your current guest policy?
 - Guests will be required to sign in for contact tracing purposes. We cannot allow any guests or walk ins on holidays as we want paid members with a current membership to enjoy the facility and not have any additional crowding, we thank you for your cooperation.
- How do we pick what time slot to come?
 - You can come to whichever you want, we just ask that you only come to one for now. We will try to make some exceptions on days that are slow or chilly, but please respect our guidelines. We are hoping more restrictions get lifted soon and then we can allow for multiple trips each day. You will be able to pre-register for either session via Community Pass, up to three days in advance (much like registering for a gym class) – details to follow.
- What if my partner wants to come at a different time?
 - Time slots are considered on an individual basis. If one person comes in the morning, and their partner would like to come in the afternoon, that is acceptable. Same thing for your children.
- Are there swim lessons?
 - Currently, we hope to offer individual and group swim lessons and private.
- Lakers Swim Team
 - Will this be available? Logistics will need to be worked on. Details to follow.
- Can we use the playground?
 - The playground will be open.
- Are toys allowed in the pool?
 - At this time, toys such as balls, water guns, dive sticks, etc. are not allowed in the pool.
- Can we use the volleyball court?
 - Yes, but please bring your own balls to use. We will not be supplying any this year.
- Is the pavilion available?
 - The pavilion is available for a small gathering, birthday party.
- What is the mask policy?
 - Masks are encouraged to be worn, and we ask that you wear them when ordering food, while in the bathroom, and when you cannot socially distance.

- How do we distance on the slide and diving board lines?
 - We will have staff monitoring and enforcing social distancing guidelines as best we can, and we put “X” markings on the steps to help spread everyone out. We also ask that you take it upon yourself to keep your distance from others.

- Capacity Limits & Social Distancing
 - Capacity limited to 50% (250 individuals)
 - Pool closes for 1 hour in between sessions (clean, sanitize and regroup)
 - If capacity limits change, we will modify our policy.
 - Slides and diving boards will be open.
 - Staff and patrons must do their best to distance themselves in the water, on the pool deck, bathrooms and anywhere else on the grounds.
 - Loitering will not be allowed.
 - Markings will be placed on pool deck, snack bar, bathrooms for social distancing.

- Face Coverings
 - Coverings are encouraged while not in the pool.
 - Children under 2 do not need to wear a mask.
 - Lifeguards will not wear a face mask while on stand.

- Cleaning, Disinfecting & Hygiene
 - There will be routine cleaning and disinfecting of frequently touched areas.
 - Bathrooms will be heavily sanitized during the 1-hour break.
 - Bathrooms and pool house will be sanitized again at the end of the day.
 - Hand sanitizers will be on snack bar tables – please bring your own for your tables.
 - Footwear should be worn in the bathrooms and showers.
 - Signage will be posted throughout the facility to keep everyone alert.

- Other Important Guidelines
 - Staff will be screened daily.
 - Members must have card on them to enter and bar code must be scanned for contact tracing purposes.
