

CHAPTER 3: GRADUATION/TRANSFER/GENERAL EDUCATION

IN THIS CHAPTER:

- Associate Degrees for Transfer (AA-T, AS-T)
- Associate in Arts Degree
- Associate in Science Degree
- Certificates
- Institutional/General Learning Outcomes
- General Education Requirements for Associate in Science
- General Education Requirements for Associate in Arts
- CSU General Education Requirements
- Intersegmental General Education Transfer Curriculum
- Transferring to a Four Year College/University
- Identification Numbering System (C-ID)

Evergreen Valley College is authorized by the Board of Governors of the California Community Colleges to grant the Associate in Arts degree for Transfer, Associate in Science degree for Transfer, Associate in Arts degree, Associate in Science degree and Certificate of Achievement to those students who have completed the subject requirements for graduation and who have maintained a 2.0 average in subjects attempted. Students must also complete the general education residency and competency requirements set forth in Title 5 regulations.

ASSOCIATE DEGREES FOR TRANSFER (AA-T, AS-T)

The Associate degrees for transfer were created for students who intend to complete a Bachelor degree in a similar major at a California State University campus. The associate degree for transfer will be granted to students who have the following:

- Completion of 60 CSU transferrable semester units
- A minimum of at least 2.0 GPA in CSU transferrable courses (note that a higher GPA may be required in some institutions)
- Completion of at least 18 units in the major with a grade of “C” or better
- Certified completion of the CSU General Education-Breadth (CSU GE-Breadth) requirements, or completion of the Intersegmental General Education Transfer Curriculum (IGETC) requirements

Please Note: No more than 60 units are required for this degree and no additional requirements will be imposed by Evergreen Valley College.

ASSOCIATE IN ARTS DEGREE

To be awarded the Associate in Arts degree at Evergreen Valley College, students must complete the following minimum requirements:

- A major consisting of 18 semester units in a specialized or related field of study. The major may be in a special field or general studies area. All required major coursework must be completed with a “C” grade or better.
- A minimum of 39 semester units from the A.A. general education pattern
- EVC graduation requirements which include:
- U.S. History Constitution and American Ideals
- Three (3) units of Cultural Pluralism/Ethnic Studies
- One (1) unit Physical Education
- Competency in Reading, Writing and Mathematics
- Residency requirement:
- 12 units must have been earned at EVC
- A minimum of two courses (at least 6 units) must have been completed in the major at the college awarding the degree.

ASSOCIATE IN SCIENCE DEGREE

To be awarded the Associate in Arts degree at Evergreen Valley College, students must complete the following minimum requirements:

- A major consisting of 18 semester units in a specialized or related field of study. The major may be in a special field or general studies area. All required major coursework must be completed with a “C” grade or better.
- A minimum of 24 semester units from the A.S. general education pattern
- EVC graduation requirements which include:
 - U.S. History Constitution and American Ideals
 - Three (3) units of Cultural Pluralism/Ethnic Studies
 - One (1) unit Physical Education
 - Competency in Reading, Writing and Mathematics Residency requirement:
- 12 units must have been earned at EVC
- A minimum of two courses (at least 6 units) must have been completed in the major at the college awarding the degree.

CERTIFICATES

Certificates will be awarded to qualified students in designated occupational programs. The College will specify the standards to be met and the courses required for each certificate. Students may submit requests for certificates during the first six weeks of the last semester in the prescribed sequence of courses. Requests should be presented to the Office of Admissions and Records.

Evergreen Valley College offers three types of certificates.

- Certificate of Achievement (12 units or more).
- Certificate of Specialization (0.5–11.5 units)
- Certificates of Course Completion may be issued to students upon completion of a course with a grade of “C” or above.

Please note: Certificates of Specialization are not state approved and will not appear on transcripts.

INSTITUTIONAL/GENERAL EDUCATION LEARNING OUTCOMES

Institutional Learning Outcomes (ILOs) are the knowledge, skills and abilities a student is expected to leave an institution with as a result of a student’s total experience. The faculty and staff at Evergreen Valley College believe that General Education (GE) Outcomes represent a common core of outcomes for the majority of students transferring or receiving degrees; therefore, Evergreen created ILO’s encompassing GE components, as well as student support service areas.

Upon completion of study from Evergreen Valley College:

Communication:

The student will demonstrate effective communication, appropriate to the audience and purpose.

Inquiry and Reasoning:

The student will critically evaluate information to interpret ideas and solve problems.

Information Competency:

The student will utilize information from a variety of sources to make an informed decision and take action.

Social Responsibility:

The student will demonstrate effective interpersonal skills with people of diverse backgrounds and effectively function in group decision making.

Personal Development:

The student will demonstrate growth and self-management to promote life-long learning and personal well-being.

Assessment of Learning Outcomes is ongoing and documented on the Evergreen Valley College Assessment matrices located at <http://www.evc.edu/discover-evc/slos>.

TRANSFERRING TO A FOUR-YEAR COLLEGE/UNIVERSITY

Students planning to transfer to a four-year college or university may complete their lower-division general education and major preparatory requirements at Evergreen Valley College. Students are advised to meet early with a counselor to ensure a smooth transition to the transfer institution. Counselors work with students to develop Student Educational Plans that map out the courses needed for successful transfer.

Main components of a typical transfer plan include:

1. General Education Requirements
The California State University (CSU) and the University of California (UC) systems require a program of General Education to grant a Bachelor degree.
2. Lower Division Major Preparation
Lower division requirements vary considerably from college to college; it is essential that, early in their planning, students consult the current catalog of the institution to which they intend to transfer.
3. Electives

CALIFORNIA STATE UNIVERSITY (CSU)

Admission requirements to CSU:

- Complete 60 semester (90 quarter) CSU transferable units;
- Earn a 2.0 GPA or higher in all transferable units;
- Be in good standing at the last college/university attended;
- Complete a least 30 units of CSU GE-Breadth requirements with a grade of "C" or better. The 30 units must include completion of CSU GE Areas A1, A2, A3, and B4 with a "C" grade or better in each course

Priority application filing dates for CSU:

Fall: October 1 – Nov 30
Winter: June 1 – 30
Spring: August 1 – 31
Summer February 1 – 28

ASSOCIATE DEGREES FOR TRANSFER

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU

campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses. For more information about similar majors, please visit the website at www.SB1440.org.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. Current and prospective students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

The following is a list of associate degrees for transfer offered at EVC:

Administration of Justice
Business Administration
Communication Studies
English
History
Mathematics
Physics
Psychology

UNIVERSITY OF CALIFORNIA (UC)

Admission Requirements to transfer to UC:

- Complete 60 semester (90 quarter) units of UC transferable courses
- Earn a minimum 2.4 GPA in all UC transferable courses
- Complete the following seven-course pattern, earning a grade of "C" or better in each course (all courses must be 3 semester or 4 quarter units):
 - English Composition – courses
 - Mathematical Concepts and Quantitative Reasoning – 1 course
 - Arts and Humanities, Social Science, Physical and Biological Science – 4 courses from at least 2 of the three subject areas

Most campuses require completion of the course pattern no later than the end of the spring term prior to fall admission. Students may complete IGETC or General Education requirements of the receiving UC campus to satisfy the seven course pattern.

Note: IGETC is most helpful to students who want to keep their options open - those who know they want to transfer, but who have not yet decided upon a particular institution, campus, or major. Certain students, however, will not be well served by following the IGETC. Students who intend to transfer into a high unit major or one that requires extensive lower division preparation, such as engineering,

should concentrate on completing the many prerequisites for the major. IGETC must be complete in its entirety before transfer; otherwise students will be required to satisfy the specific lower division general education requirements of the transferring UC or CSU. All IGETC courses must be complete with a grade of C or better.

Priority Application filing Dates for UC

Fall November 1 – 30
Winter July 1 – 31
Spring October 1 – 31

Students can also find additional resources for UC at the following websites:

CSU and UC

All campuses accept students for fall admission, many do not accept for spring, winter or summer. Consult a counselor or the campus website for details about a specific campus. Apply at www.csumentor.edu for CSU's and www.universityofcalifornia.edu for UC's.

CERTIFICATION OF GENERAL EDUCATION FOR TRANSFER TO CSU AND UC

Students should request certification of their CSU GE or IGETC prior to transfer. IGETC certification must be requested in the Admissions and Records Office. This is not an automatic process. All necessary documentation (secondary or other college transcripts) must be submitted to the Admissions and Records Office prior to this request. Valid IGETC and CSU courses must appear on EVC's IGETC and CSU patterns the year in which they are taken. Students who transfer without certification may have to meet the general education requirements of the receiving campus.

TRANSFERABILITY OF COURSES

Baccalaureate level courses at Evergreen Valley College have been articulated with CSU and UC systems. Some courses are articulated for general education, major preparation and/or elective credit. Articulation agreements between Evergreen Valley College and the CSU and UC systems can be found at www.ASSIST.org

GENERAL EDUCATION RECIPROCITY

The San José/Evergreen Community College District has entered into a mutual agreement with nine other Community Colleges to accept the General Education of these colleges "as completed." In addition to Evergreen Valley College, participating institutions include Chabot, De Anza, Foothill, Gavilan, Las Positas, Mission, Ohlone, San José City, and West Valley colleges.

Students who obtain a "Certification of Completion of Associate Degree General Education" at any one of the participating colleges will have both their General Education course work and graduation proficiencies accepted "as completed" at any of the participating campuses. No additional course work will be required if the certification is officially presented. Students will still be required to complete all major courses and prerequisites needed for a degree.

The process for obtaining a Certification of Completion of EVC's General Education is the following:

1. Student works with a counselor and requests General Education Certifications from the Office of Admissions and Records for verification.
2. Official reciprocity certification will be completed by the counselor, verified by the evaluations specialist, and mailed to the community college of transfer. Student will be given a copy of the certification.
3. If transcripts are to be used from other colleges, official copies must be on file with the Office of Admissions and Records.
4. Evergreen Valley College will honor the certification presented from the participating college only if it is transmitted in the same manner as an official transcript. Student copies will not be honored.

Please note that only community colleges listed above participate in the agreement at this time, and these agreements are subject to change.

According to new Title 5 requirements, beginning Fall 2009, English Composition (English 1A) and Intermediate Algebra (Math 13) are required for all Associates Degrees. Please note that Title 5 requirements supersede local reciprocity agreements. Check with a counselor by calling 408-270-6475 or visiting the counseling office at SC-250 for a counseling appointment.

IDENTIFICATION NUMBERING SYSTEM (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

The following is a list of Evergreen Valley College courses with C-ID designation approval as of August, 2016. For a regularly updated list, please go to the ASSIST database at www.assist.org. This list will be updated regularly as courses receive approval for C-ID designation.
